HISTORY
Higher Secondary, Second Year
The library was established in 1952 as a branch of the Government of Madhya Pradesh. It was the first library of its kind in the state. The library has since grown and now has a collection of over 100,000 books. The library is open to all and provides a quiet place for study and research. The library is a valuable resource for the community and is a source of pride for the institution.

FOREWORD
The library is a source of knowledge and information. It is a place where people can find the books they need for their studies and research. The library is a place where people can find the books they need for their studies and research. The library is a place where people can find the books they need for their studies and research. The library is a place where people can find the books they need for their studies and research.
