Description this book

You see others who have the things you want money, job, success and suppose that they were born with special talent or into a family which made those things easy to attain. They are just lucky. What you don't know is that there is a methodology to success. The Unstoppable contains a system to gain the vital skills. Alvin Miles was an underclassmate athlete who went on to become a national racing champion, three time Navy SEAL Team Commander, inventor of over 20 fitness products and CEO of the #1 fastest growing consumer products company as identified by INC 500 magazine in 2010. Through his own journey to success, Miles identified Eight Action Steps to overcome the bad habits between you and getting your goals. Written in a story format that is easy to remember, the Unstoppable opens with a portrait of a young kid who meets a remarkable, seasoned captain, changing the kid's life a direction and setting him on a course to lead a major industry. The allegory, intertwined with Miles' humorous, brutally honest personal stories, anchors books like Plan in 30, Exercise to Excite and Ignite into a Delicious life plan memory. You can start at any place in the program, because the momentum gained from using any of the tools will cause you
